Terms of Agreement (mandatory)

The sport wheelchair being offered to the above named child is the property of the BC Wheelchair Basketball Society (BCWBS) and remains the property of BCWBS at all times. The child being offered the sport wheelchair will continue to possess the chair until it no longer fits them. Once the chair is not functional for that individual, the chair will be returned to a BCWBS representative in their community and made available to others in the community so that other children can benefit from a sport chair. When possible, BCWBS will try to arrange for another appropriately sized chair for the child.

The chair cannot be sold or rented out and must stay in the community. Wheelchairs allocated are not to be used for everyday or outdoor use and damage or loss must be reported as soon as possible. If a family moves out of British Columbia, the chair must go back to BCWBS. Improper use of the chair causing damage may result in the chair being taken back.

In addition to keeping the wheelchair well maintained, BCWBS requires that each parent/guardian stay in contact with BCWBS and commit to sharing the impact the sport wheelchair may have on their child's health, self-esteem, and physical activity levels. This may be done through short impact statements or surveys as requested by BCWBS.

By signing this document I acknowledge that I have read and agree with the terms above.
